Information

The conference will be held in Hong Kong during March 12-13, 2015. This conference provides opportunities for the delegates to exchange new ideas and application through face-to-face discussions, to establish business or research relations and to find global partners for future collaborations.

CEEIT 2015 is supposed to be the largest technical event on Electrical Engineering and Information Technology in Hong Kong in 2015. The organizing committee of conference is pleased to invite prospective authors to submit their original manuscripts for possible presentation at CEEIT 2015.

Publication

The topics of CEEIT 2015 will cover all areas encompassing Electrical Engineering and Information Technology. All papers will be reviewed by two or three experts from the IPC. After a careful reviewing process, all accepted papers after proper registration and presentation, will be published in WIT Transactions on Information and Communication Technologies (ISSN: 1743-3517), which will be indexed by EI Compendex, Scopus and ISI.

Topics:

Information Technology:
Green Software Engineering, Green and Sustainable Computing, Energy-aware Distributed System, Knowledge Discovery and Data Mining, Creating Green Awareness using IT.

Communication and Vehicular Technology:

Power System and Electronics:
